### Humphrey to Compete At Capital, See LBJ

Capt. Raymond E. Humphrey, Granite City Army Depot provost marshal and intelligence officer, is headed for the White House and a personal meeting with President Lyndon B. Johnson, he was notified late last week.

He has been named as one of 50 national finalists for designation as 15 White House Fellows, on the basis of regional judging, conducted in April at St. Louis, 10 other U. S. Cities and London, England. Earlier he had been chosen as one of 229 semifinalists out of a field of 3000 applicants.

Capt. Humphrey and the other 49 still in the running will report to the White House during June 25-28 meetings in Washington at which the Commission on White House Fellows will choose 15 winners after interviewing the finalists.

President Johnson, who originated the program, will announce the decisions June 28. Beginning Sept. 1, one "fellow" will be assigned to the office of Vice-President Lyndon B. Johnson, one to each of the 10 cabinet officers and four to members of the White House staff.

Purpose, in Johnson's words, is "to give outstanding young Americans an opportunity for one year of first-hand, high-level experience with the workings of the federal government, and an increased sense of participation in national affairs."

Detailed plans announced today show that instruction will begin June 7 and end July 23. Hours will be 9 a.m. to noon for first through sixth graders and 8 a.m. to noon for seventh through ninth graders. No credit is offered.

Junior high summer classes will be held at Coolidge junior high school.

### Williams Stops Tribe on 4 Hits; Thompson, Evans, Winfield Shine

Granite City's Warriors won three of four varsity baseball games late last week, but that one loss was quite a surprise. The Madison Trojans posted a rare victory, 2-0, over the Warriors Friday on the MHS field. The Granite City triumphs were 6-1 over previously unbeaten Belleville Alhaff Thursday, 4-0 over River View Gardens Friday and 11-2 over Southwestern Conference foe East St. Louis Saturday.

We split the squad between a four-hitter, getting 10 strikeouts. Greg Patton, Larry Elpka and Hauptman — the 1-2-3 hitters in the order — had two hits each. GCHS scored four times in the third on singles by Hauptman and Elpka, a triple by Hauptman and a double by Larry Johnson and a single by Gene Bryant. At River View Gardens Johnson and Larry Dillard both had two hits while Edy Bill Evans stopped the game on two hits. Evans fanned 12, walked none and faced only 25 batters — two over the minimum — in seven innings. Pitcher Bruce Thompson put on a one-man show against East St. Louis, throwing a three-hitter and slapping out a sacrifice fly, a single and a double for two runs butted in. Nick Petrillo also sported with a 4-for-4 performance including a triple and three RBIs.

That win pushes the Warriors into a tie for the conference lead with Alto, but with 7-3 record. Granite City is 14-7-1 overall; Madison stands 3-6. For this week's games, see "School Sports."

Madison scored once in the fourth, Neil Podola scamporing home on a wild pitch. In the fifth, Alton Perrelli pounded a home run and Steve Shipcott tripled and scored on an error.

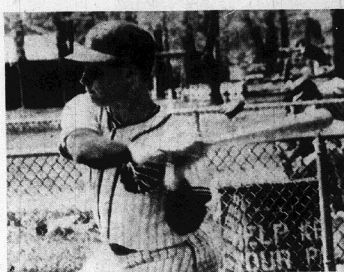

The Trojans had just three hits off Jim Rains. The other was a single by Fred Miller.

**Alhaff Struck Snapped**  
The Warriors' win over Alhaff's Crusaders stopped the Belleville squad's victory streak at 12 games. Doug Winfield fired

**Alford Checks Gem For GC Sophomores**  
Bob Alford played only 25 batters in seven innings Saturday as the Granite City sophomores defeated Belleville 2-0 in the second game of a double-header. He allowed only two hits and in one stretch retired 16 straight batters.

Belleville won the first game 2-0 despite pitcher Mike Hoy's four-hit job for Granite City. Leading batsmen for the young Warriors were Bob Olson with a home run and three singles and Carl Benson with a double and single.

City Thursday, the GCHS team accumulated 10 errors and lost 12-1 to Belleville. River View Gardens won a 10-4 decision Friday. The couple have a 7-10 record.

PUFFING HIS CHEEKS, Granite City outfielder Gene Bryant starts a swing at a pitch during the third inning of Saturday's high school game. Bryant was determined but unsuccessful—he struck out.

### GC Tennis Team Revenge Gained By Track Chiefs

Prather's Chiefs, beaten 75-25 by Bethalto in a dual meet earlier in the track season, gained revenge in a triangular meet Thursday at Alto.

The Chiefs outscored Bethalto 71-47 with host North getting 29 points. Coach Bob Miller said the ninth grade team was beefed up with outstanding eighth graders who scored 30 points for Prather.

Carl McDowell set a new school record mark, winning at 19 feet, one inch. Another Prather record was established by the mile relay team of Rich Hall, Dennis McGee, Dave McFarland and Larry Pirtle, who won in 10:41.1.

Mike Nall won the tender-bender feature, with Art Cross and Clyde Lindemann running 2-3. Cross also won one of the heat races.

Garlan Farless of the speedway announced that the super-modified will run on the half-mile track every Saturday night due to popular request.

At East St. Louis Relays

### Bridges Soars 12-11 For New Vault Record

Dwain Bridges set a new meet and school pole vault record for Granite City high school Friday in the fast-paced East St. Louis relay at Parsons Field. Bridges soared 12 feet, 11 inches.

It was a rewarding comeback for Bridges who had been having trouble in a new fiberglass pole—his old one snapped earlier in the season. Coach Jim Morrison said the record vault was set with a borrowed East St. Louis pole.

"They were real nice about it," Morrison said. "They even said Dwain could use it in the district meet on Friday."

The old records for both the relays and GCHS were 12-6. Bridges set the school mark earlier this season and Paul Caldwell and Jim Jordan, both of Alto, had gone 12-6 in the relays in 1963 and 1964.

The Warriors scored seven points in the meet, which drew the top teams in the St. Louis area. East St. Louis won with 64 points with Lincoln of East St. Louis, a close second with 62.

Next were Alto 53, Beaumont 50, Vashon 46, Saldan 22, Summit 21, River View Gardens 20, Wood River 14, O'Fallon Tech 12, Southwest 11, Roosevelt 10, Granite City 7, Edwardsville 5, Belleville 4, Cleveland 2 and Collinsville 1.

**Line Is Third**  
The Warriors' Jerry Line tossed the shot put 52-8 to take third place. The winning toss was a mile relay team of Rich Hall, Terry Coff of Roosevelt, Jim Judd, Coff's teammate, was second at 60-8. The old record was 57-4.

New records were established in 12 of 17 events. Edwardsville's Curt Deal, state champion, high jumper, won 6-5 to break his own mark by an inch. Three Alto relay teams, mile sprint medley, were third.

**St. Elizabeth Team, Gitchoff Win as 'Y' Soccer Season Ends**  
YMCA Soccer League played ended play until the fall with consolation games in which Gitchoff defeated the Roney Boys 4-0 for first place in Alton play Saturday and St. Elizabeth downed Lincoln Place 4-2 for First-Year Alton first-place honors Sunday.

Championship in other divisions were decided previously. Other Saturday action saw Mexican Elementary boys St. Elizabeth 3-2 for Alton second place and Uncle Charlie's winning 2-0 over Mitchell AC on Sunday. Mitchell AC shut out Luaders 4-0 for First Year Alton second place.

"Here's the Lowdown on Shopping Downtown"

## BE A SHOPPER IN DOWNTOWN GRANITE CITY SHOPPING CENTER

Nothing is more convenient than having a "golden triangle" of stores in which to shop. You come "downtown" and park — then within easy walking distance of your car you'll find everything you may want... variety stores, department stores, shoe stores, men's clothing stores, etc. And not just one of each but several of each, in downtown Granite City, so you can shop... really shop and compare prices and quality. No need to be a "captive one store buyer" when it's so easy to be a "smart shopper."

### OVER 356 BUSINESSES — SHOPS AND PROFESSIONALS TO SERVE YOU BETTER

In addition to the 356 businesses listed above, Downtown Granite City Shopping Center offers many more services and facilities NOT AVAILABLE IN OTHER SHOPPING CENTERS.

There are two beautiful banks, five small loan companies, two building and loan associations, the Public Library, the offices of the Illinois Power, Southwestern Bell Telephone and the Interurban Water Companies. Twenty lawyers, seventeen doctors of medicine, four eye doctors, City Hall, Police Station and the Tri-Cities' only movie theater... the Washington. There is the Western Union Telegraph Office, Barber Shops, beauty salons and, oh, so many more!

In fact, everything is available downtown... including our area's only hospital. Downtown... like the popular song says... is the place to have fun and receive a lift to your spirits. It's fun shopping and doing business in Downtown Granite City.

## Legion Squad Opens Season Away June 10

Granite City's American Legion Post 113 baseball team will open league play June 10 at Collinsville, manager Roy Achenbach announced today. The team was organized last season.

Post 113 will play in the 22nd District's Northern Zone along with Alton, Collinsville, Edwardsville, Glen Carbon, Highland, and Mayville. The winners of the zone will also include seven teams — Belleville, Dupont, two East St. Louis clubs, Leblond, O'Fallon and Mascoutah.

Teams may book games with members of the opposite zone but only contests between teams in the same zone will be counted in the official standings. Zone winners will meet in playoffs at the Legion's annual nationwide tournament series in St. Louis.

Achenbach said home games will be played at 6 p.m. Fridays or 2 p.m. Saturdays. The team will again be assisted by coach Dave Whitsell with Joe Summers, Post 113 commander, representing the sponsoring organization.

Most of the players from last year's team are returning, Achenbach said, but he is seeking a second baseman and a third sacker. No practices will be held until the high school season ends.

Members of the 16-player roster must not attain age 19 prior to Sept. 1, 1965. The 1964 team had a 10-5 record and finished second to Collinsville in the Northern Zone.

## Coolidge Netmen Blank Roxana 5-0

The tennis team of Coolidge junior high school blanked Roxana 5 to 0 in a meet here Friday. Winning low was Jim Miller, who defeated Mike Smith 6-3, 6-3.

Bill Harris and Herman Schermer defeated Charles Tedrick and Benny Post 6-3, 6-3, and Bob Green and Curtis Green stopped Don Fitzgerald and Sam Kinser 6-1, 6-1 in the doubles events.

In exhibition matches, Keith Nagg won 6-0, Jim Carley won 6-1 and Mike Loftus won 6-0.

## Coolidge 2nd in Triangular Track

Mike Walker and his Coolidge junior high school's only event as the Braves placed second in a triangular track meet Friday. The three stints were won by Alton, Collinsville and Edwardsville.

He took the hurdles over 10 events in 17.4 seconds and placed second in the hurdles over five. Doug Wickham came close in the shot put with a toss of 44 feet, 4 inches, just a quarter of an inch off the winning mark.

Other seconds were produced by Al Evanoff in the 440, David Saitch in the discus with a 160 feet hurl, and Jim Gilmore in the pole vault at 9 feet, 8 inches.

SO THAT'S HOW YOU WIN! pitcher, Capt. Kenneth Bratsch (with ball) seems to be thinking as Bunny Patti uses a short-cut to go from first to third base. It was all in fun yesterday at the Granite City Army Depot as the St. Louis Playboys met the officers' team in exhibition softball. The umpire, 2nd Lt. Paul Schneller (right), doesn't exactly have his eyes on the play as he flashes a "safe" signal. In background, Bunny Lee sneaked off third base before unsuspecting 2nd Lt. Allan LaPlante, The Bunnie, of course, won 20-0.

## Mercers, Hearts Lose

## Mitchell Has a Ball In 22-10 League Win

Their scorekeeper was pulling his hair out the Mitchell A.C. ball players had a jolly time yesterday in marking up a 22-10 victory at Troy in the Southwest Inter-City League.

The two Granite City entries, however, finished the day a bit downcast after dropping close decisions. Mayville A.C. Contractors topped Mercer Funeral Home 6-4 at Wilson park and Johnnies topped Hearts 6-5 at Jones Park, East St. Louis.

In other games, Pocahontas downed defending champion Collinsville 6-2 and Mayville Red Sox beat East St. Louis City 3-5. Granite Cityman Whitey Hemphill was the losing hurler for the Hearts.

The weekend results leave the two Mayville teams as the only unbeaten clubs — the Red Sox at 2-0 and A.C. at 1-0. Pocahontas is 2-1, Collinsville and St. Clair are both 0-2 and all other teams are 1-1.

Next Sunday's schedule puts Mayville Red Sox at Mitchell, Troy at Sacred Heart and the Mercers at Pocahontas.

Score by innings: Mitchell 914 420 200—22 10 3; Mayville 004 000 024—10 10 0. Holder, Lierman (4) and Schaeffer, Stephens (6); Wiesmeyer, Hagenbuch (1); Gray (1), Augustine (1), Tule (6), McFarland (8) and Loyel.

Terry Tessary birdied the first hole and came in with an 87. Total, Other Granite City scorers were Jim Moran, 87; Bill Hennessy, 88; Paul Greve, 89 and Jack Baskley, 96.

The Warriors also edged Collinsville by one stroke in a dual match Friday at the Army Depot course.

## New GC Cage Coach May Be Named Soon

A decision on the new Granite City high school basketball coach is near, according to Russell Johnson, superintendent of schools.

Eighteen applicants have been interviewed and eliminated. Of the seven remaining, four have been interviewed. A group of administrators is to make a recommendation soon, with that man appearing before the school board at the May 10 meeting.

Johnson indicated the new coach, who will replace Andy Sullivan, will have a voice in the selection of a junior varsity coach to take over for Roger Manuel. Barring late changes, the 1965-66 coaching assignments for GC HS are:

Football — head coach Jim Morrison and assistants Larry Burchardt, Conrad "Babe" Champion, Leon Chappell, Gordie Leebreath and Stan Wojcik; basketball — head coach Dick Harmon; wrestling — head coach Bill Schmitt and assistant Burke Schmitt; baseball — head coach Joe Fedora and assistants Champion and Gale Garber; track — head coach Morrison and assistants Chappell and Sullivan; tennis and cross country — Harmon; golf — Harry Lane, and intramurals — Schmitt.

Coolidge junior high school assignments are: Football — head coach John Toncoff and assistants Glen "Skip" Hastings and Mike Williams; basketball — head coach Hastings and assistants Williams and Garber; wrestling — head coach Bob Moske and assistant Ron Woods; tennis — Moske; baseball — head coach Toncoff and assistant Williams.

Prather junior high assignments are: Football — head coach Bob Stegemier and assistant

Raymond Fyalka; basketball — head coach Bob Miller and assistants Maurice "Whitey" Hemphill and Ralph Mangan; wrestling — Walt Whitaker; baseball — Bob Stegemier; track — Miller and Hemphill.

At Central junior high, Jack Parker and Bryce Boston will share duties in basketball, track and intramurals.

Supt. Johnson has announced that a faculty committee to coordinate interscholastic athletics on all levels is being formed. The committee will be similar to 26 others, including one in physical education formed throughout the school system in the past year.

Braves Win Track Meet by One Point

Coolidge junior high school's eighth grade track team won triangular meet at Roxana Friday by edging East Alton 48 to 47. The host team totaled 36 points.

A triple winner for the Braves was Dave Mullenix who took both 100 and 200 yard sprints, and a fourth jump with a leap of 15 feet, 3 1/4 inches.

Jim Jones won the shot put with a toss of 40 feet, 4 1/2 inches and was followed by teammate Chris Hamilton. Jones also won second in the 440.

Coolidge finished second in the half-mile and mile relays, while Mike Ellis was second in the 880, Joe Arico in the 220 and Jerry Cook in the discus.

New Wood River Coach

Dean Calvin, assistant basketball coach, has been named head coach at Wood River high school. He succeeds veteran Bob Horton who was fired. Norris Dorkey was named assistant coach.

## Brave Nine Comes From Behind, Tops Prather 3 to 2

Coolidge junior high school's baseball team came from behind in the last of the seventh inning to edge cross-town rival Prather 3 to 2 Friday.

David Snelson led off the frame with a single through the hole. Joe Lehn hit a pinch-hit double down the left field line, and with one out, Snelson scored on a fielder's choice, called safe on a play at the plate.

With men on first and third, Bob James was purposely passed to fill the bases. In the next play, Lehn was forced at the plate, put in a try for a double play, the Coolidge receiver threw the ball wild and Fossieck scored the winning run.

Prather scored twice in the second inning without a hit, making it on a walk and three errors which had the bases filled. Coolidge hit pay dirt in the fourth on a single by Russell Borth and a double by Snelson which sailed over the left fielder's head.

Each team made seven hits while Prather hurler Donnie Range framed seven and walked one. Coolidge's Gary Batenour whiffed three and walked four, and his reliever, Jones, struck out one and walked two.

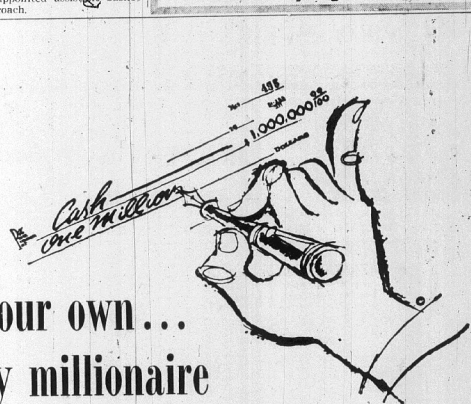

James singled and tripled, catcher Mike Dochwat, who picked off two runners, and Snelson singled and doubled for the winners, while Range and Jim Blylock doubled for Prather.

### Petitions Seek Rural Phone Rate Changes

Petitions are being circulated in the Thornburg and other rural areas of Granite City to be sent to the Illinois Commerce Commission requesting a study of mileage rate charges by Southwestern Bell Telephone Co. for phones in the rural areas outside the base rate area.

Mrs. Robert Polley of Thornburg drive began circulating the petitions on Friday. She said the residents also hope to be placed on the base rate when the phone company opens its new exchange at Pontoon Beach.

Customers with one-party lines now are charged 50 cents for each quarter mile beyond the base area. Mrs. Polley last week called attention to discrepancies in the added charges with neighbors paying added charges based on 4 to 8 quarter miles.

The petitions are to be sent to James W. Carver, chairman of the ICC. Anyone wanting to sign a petition may contact Mrs. Polley.

Wagner is a veteran volunteer in campaigns of the Greater St. Louis Area United Fund, and most recently was chairman of the retail division of that United Fund. Hundley also announced that chairman for each section have been secured, making the division the first one to complete its organization of section leaders for the fall drive. Solicitation of contractors will be organized by M. Freeman Wolfe of the M. H. Wolfe Co., who also served as section chairman for the two previous drives. He now is serving his second three-year term on the UF board of directors, and in 1964 he was

chairman of the admissions and distributions committee. **Transportation Firms**

Veihl Jr. will head the solicitation of outside firms for the second year, having worked in previous drives in the commercial division. He is formerly a member of the UF board and of the executive committee in 1964. The industrial firms division raised \$128,407 for 1965 in last fall's drive and produced 38% of the total raised in that successful campaign. The drive for 1966 will be conducted in October. The goal will be set by the board after agency budgets have been examined by the admissions and distributions committee.

Irvin C. Slate Jr., a member of the law firm of Luaders & Robertson, spoke to supervisors at the Granite City Army Depot at a luncheon in observance of Law Day U.S.A. last week in the officers open mess, at the depot.

Quoting Stanford S. Meier of Belleville, president of the Illinois Bar Association, Slate said "May 1 has been declared by the President of the United States and by the governor of the State of Illinois as 'Law Day U.S.A.'"

"It gives all of us, whether lawyers or not, a wonderful opportunity to enhance our respect for the law as we know it in this country."

"It offers a wonderful opportunity to build up the prestige of the administration of justice in the United States and last, but certainly not least, it gives the golden opportunity to counteract the Communist propaganda connected with the Communist May Day observance."

It was noted that the day is set aside to remind the American people that their liberties and rights are dependent upon the maintenance of the rule of law.

ALUMINUM EXTRUSION, 51 feet long, is shown (top photo) with end cut and shaped and then (lower photo) as the center sill of an assembled underframe. Side sills and bolster hat section at each end are also aluminum extrusions.

NEW RAPID TRANSIT CAR built by General Steel Industries, St. Louis Car Division. Car is the first production railroad equipment using one-piece extruded aluminum center sill.

## Dow Produces Center Sill For All-Aluminum RR Cars

Dow Metal Products Co., Madison, has produced an important underframe piece for new cars in the Port Authority Trans-Hudson (PATHS), New York-New Jersey rail rapid-transit line. The one-piece aluminum sill is being used for the first time in a railroad car. The all-aluminum cars are being built by General Steel Industries' St. Louis Car Division.

The one-piece center sill concept was originated by Dow, a division of the Dow Chemical Co. The PATH extrusion, designed by General Steel, was made in the Dow Madison plant on a 14,000-ton extrusion press, one of the largest in the world.

The center sill is the main member of the car's underframe. It is 51 feet long, 23 inches wide and weighs 1785 pounds. A corresponding section made of steel would weigh approximately twice as much.

The PATH aluminum cars weigh 55,000 to 58,000 pounds compared with 74,000 to 78,000 pounds for the antiquated 1909-1928 "black cars," which are being replaced.

Two other large extrusions produced by Dow are used in the construction of the underframe. The side sill is 51 feet long, 11 inches wide and weighs approximately 622 pounds. Two of these sections run parallel to the center sill. The bolster hat section is extruded 25 inches wide by 8.5 inches high and cut into nine-foot lengths. These three extrusions are the principal members of the underframe.

The side extrusions are used as they are produced. The center sill is tapered on each end to

allow room for installation of the bolster hat section. St. Louis Car cuts out a small section of the vertical side of the extrusion and bends the two outside sections of the extrusion down to the desired level and then welds the pieces together.

The extruded aluminum center sill was selected for the PATH car for weight saving, because of aluminum's strength-to-weight ratio and because aluminum could be worked with easily in the fabrication of the underframe.

The alloy selected for the sill is 6061-T6. After being extruded, the center sill is straightened and aged to the T6-temper.

Monthly old-age survivors and disability insurance benefits in 31, 1964, a total of \$1,654,782. Madison county now top \$1,654,782, Ralph Brasher, district manager of social security in East St. Louis, said today on releasing his annual county benefit data report.

The new monthly figure which represents an increase of 9.5% over the same period last year, can be attributed to the changes in the law in recent years, as well as to the growth of our aged population, Brasher said. He added that this money stimulated county business, most of it being spent for food, clothing and shelter.

Brasher notes that as of Dec. 31, 1964, a total of 23,219 Madison county residents was collecting about \$19,857,384 annually from social security. This figure could possibly be increased, he said, if more people knew about the laws.

For that reason, the district manager explains, anyone requiring information concerning their benefits or responsibilities are urged to visit or call the local social security office at Room 300, 453 Missouri avenue, East St. Louis.

Another 100 cars are being turned out for the Denver & Rio Grande Western Railroad.

A spokesman for the local firm said, Brandon flatboard tie-downs, positioned exactly four feet, one-inch, transversely from center line of the car, are an important feature on these new bulkhead flat cars which also feature end-of-car cushioning and end lockers.

## GC Steel Starts Escrow Fund For Steelworkers

The United Steelworkers of America, AFL-CIO, and the Granite City Steel Co. jointly announced Friday that they have completed negotiations over local union-supplements to the basic steel industry contract and have agreed on an extension of their contract to Sept. 1 on the same basis as the national extension.

The agreement was announced by Lloyd McBride, district director-elect of the United Steelworkers, and John R. Hundley, vice-president, industrial relations for the steel company.

Granite City Steel began paying 11 1/2 cents an hour into an escrow fund on Saturday, May 1, for distribution to Steelworker Union employees in accordance with terms of the new long-term contract when it is negotiated.

The joint announcement said that changes resulting from the agreement on local issues are being placed into effect. It was pointed out that the agreement on local issues should simplify the later task of applying the long-term contract pattern to the local agreement between USW locals 16, 30, 67 and 68 and Granite City Steel.

Local negotiations will be secured when negotiations at the national level over the new long-term contract have made sufficient progress.
